

Business Breakfast

8am, Tuesday 12th September,
Fletcher Room, Sedgefield Parish Hall

Guest speaker for our next business breakfast will be **Calum Baker** of the **Business Energy Efficiency Programme (BEEP)**.

The Business Energy Efficiency Project (BEEP) is a funded support package for County Durham SME's which focuses on generating financial savings through increased energy efficiency.

The Project is funded by Durham County Council and the European Regional Development Fund (ERDF) and provides energy audits, equipment monitoring and prioritised recommendations to participating SMEs. There is also a grant fund which can be used by SMEs to further reduce the payback period of any energy efficient equipment installation.

For further information visit www.beep.uk.net or email at beep@durham.gov.uk.

The business breakfast will be held in the recently refurbished Fletcher Room in the Parish Hall and is kindly sponsored by **Cllr Allan Blakemore** and **Cllr Chris Lines** of **Sedgefield Town Council**.

There is no charge for attending the business breakfast but registration is essential as numbers are limited.

Please contact sedgefieldbn@gmail.com by 7th September to confirm your place.
