

## Safety Advice

In order to keep us all as safe as possible, please follow the advice below.

- Entry is by pre-booked ticket only, one ticket per vehicle. No pedestrian attendees.
- Download/print your own copy of the service sheet containing the carol words. No service sheets will be handed out at the event.
- Please arrive between 6:30 pm and 6.50 pm.
- Follow the stewards' directions to an allocated parking spot. Parking will be in alternate bays, in a chequerboard pattern. Tall vehicles will be directed to the back row.
- Please do not leave your car.
- Windows may be opened.
- In the event of needing assistance: put on hazard lights and wait for a steward.
- After the service, please wait for a steward to indicate that your vehicle can leave and follow the route they indicate.
- Please note that there are no toilet facilities available.

Thank you for your co-operation. Enjoy this celebration of Christmas.
